5) Contacting Us

5.1 WhatsApp Business

We offer visitors to our website the opportunity to contact us via the WhatsApp news service of WhatsApp Ireland Limited, 4 Grand Canal Square, Grand Canal Harbour, Dublin 2, Ireland. For this purpose we use the so-called "Business Version" of WhatsApp.

If you contact us via WhatsApp in connection with a specific business transaction (e.g. an order placed), we will store and use the mobile telephone number you use at WhatsApp and - if provided - your first name and surname in accordance with Art. 6 para. 1 lit. b. GDPR to process and answer your request. On the basis of the same legal basis, we will ask you via WhatsApp to provide further data (order number, customer number, address or e-mail address), if necessary, in order to be able to allocate your enquiry to a specific transaction.

If you use our WhatsApp contact for general enquiries (e.g. about the range of services, availability or our website), we will store and use the mobile phone number you use at WhatsApp and - if provided - your first and last name in accordance with Art. 6 Para. 1 lit. f GDPR on the basis of our justified interest in the efficient and prompt provision of the requested information.

Your data will always be used only to answer your request via WhatsApp. Your data will not be passed on to third parties.

Please note that WhatsApp Business gains access to the address book of the mobile device we use for this purpose and automatically transfers telephone numbers stored in the address book to a server of the parent company Meta Platforms Inc. in the USA. To operate our WhatsApp Business account, we use a mobile device whose address book stores only the WhatsApp contact data of those users who have also contacted us via WhatsApp.

This ensures that each person whose WhatsApp contact data is stored in our address book has already consented to the transmission of his WhatsApp telephone number from the address books of his chat contacts in accordance with Art. 6 Para. 1 lit. a GDPR when using the app on his device for the first time by accepting the WhatsApp terms of use. The transmission of data of such users who do not use WhatsApp and/or have not contacted us via WhatsApp is therefore excluded.

For the purpose and scope of data collection and the further processing and use of data by WhatsApp, as well as your rights and setting options for protecting your privacy, please refer to WhatsApp's data protection information:
<https://www.whatsapp.com/legal/?eea=1#privacy-policy>

5.2 When you contact us (e.g. via contact form or e-mail), personal data is collected. Which data is collected in the case of a contact form can be seen from the respective

contact form. This data is stored and used exclusively for the purpose of responding to your request or for establishing contact and for the associated technical administration.

The legal basis for processing data is our legitimate interest in responding to your request in accordance with Art. 6 (1) point f GDPR. If your contact is aimed at concluding a contract, the additional legal basis for the processing is Art. 6 (1) point b GDPR. Your data will be deleted after final processing of your enquiry; this is the case if it can be inferred from the circumstances that the facts in question have been finally clarified, provided there are no legal storage obligations to the contrary.

6) Registration at the portal or forum

You can register on our website by entering your personal data. The personal data processed for registration is determined by the input mask used for registration. We use the so-called double opt-in procedure for registration, i.e. your registration is not complete until you have previously confirmed your registration via a confirmation e-mail sent to you for this purpose by clicking on the link contained therein. If you do not receive confirmation within 24 hours, your registration will automatically be deleted from our database. You are obliged to provide the aforementioned data; all further information can be provided voluntarily by using our portal.

If you use our portal, we store your data necessary for the fulfillment of the contract as well as, if necessary, information on the method of payment, until you finally delete your access. Furthermore, we store the data provided voluntarily by you for the duration of your use of the portal, unless you delete it beforehand. You can manage and change all information in the protected customer area. The legal basis can be found in Art. 6 (1) point f GDPR.

In addition, we store all content published by you (such as public contributions, bulletin board entries, guestbook entries, etc.) to operate the website. We have a legitimate interest in providing the website and the complete user-generated content. The legal basis can be found in Art. 6 (1) point f GDPR. If you delete your account, your public statements, especially in the forum, will remain visible to all readers. However, your account is no longer accessible. All other data will be deleted in this case.

7) Commentary Function

In the context of the comment function on this website, in addition to your comment, information on the time of the creation of the comment and the commentator name you have chosen will be stored and published on this website. Furthermore, your IP address will be logged and stored. This storage of the IP address is for security reasons and for the event that the data subject infringes the rights of third parties by posting a comment or posts illegal content. We need your e-mail address in order to contact you in case a third party claims that your published content is illegal.

The legal bases for storing your data is Art. 6 (1) point b and point f GDPR. We reserve the right to delete comments if they are claimed to be unlawful by third parties.

You as a user can subscribe to the follow-up comments. For this purpose, you will receive a confirmation e-mail so that it can be ensured that you are the owner of the e-mail address provided (double opt-in procedure). The legal basis for data processing in the case of comment subscriptions is Art. 6 (1) point a GDPR. The above-mentioned processing is carried out on the basis of Art. 6 para. 1 lit. b GDPR and serves exclusively to properly process your donation payment and to record it in the accounts. The storage for a period of 10 years is based on Art. 6 para. 1 lit. c GDPR in conjunction with Section 147 of the German Fiscal Code, according to which we are subject to a corresponding retention obligation regarding the business transaction.

If you register for our e-mail newsletter, we will regularly send you information about our offers. The only mandatory data for sending the newsletter is your e-mail address. The provision of further data is voluntary and will be used to address you personally. We use the so-called double opt-in procedure for sending the newsletter. This means that we will only send you an e-mail newsletter once you have expressly confirmed that you consent to receiving newsletters. We will then send you a confirmation e-mail asking you to confirm that you wish to receive the newsletter in future by clicking on an appropriate link.

By activating the confirmation link, you give us your consent for the use of your personal data pursuant to Art. 6 (1) point a GPPR. When you register for the newsletter, we store your IP address entered by your Internet service provider (ISP) as well as the date and time of registration for the purpose of tracing any possible misuse of your e-mail address at a later date. The data collected by us when you register for the newsletter is used exclusively for the promotional purposes by way of the newsletter.
